Section C - Comprehension OE (10 marks)

Read the passage carefully.

An old tiger could not catch other animals for food. He asked his friend, the magician, for help. The magician gave him ten mangoes and said, "These are magic mangoes. Put them outside your cave and wait for an animal to come by. Ask him to count them for you. At the count of ten, the animal will not be able to move."

Soon, a goat passed by and the goat did as he was told. The goat counted the mangoes. At the count of ten, it fell to the ground and could not move. The tiger ate up the goat. A mousedeer was hiding behind a bush and saw what had happened.

The next day, the mousedeer passed by the cave. The tiger wanted him to count the mangoes. The mousedeer started counting, "One, two, five, eight. Oh dear! I'll count them again." The tiger was angry and shouted at him, "Don't you know how to count? Let me show you. One, two, three... ten". The tiger fell to the ground and the mousedeer ran off quickly.

Choose the correct answer.

Why did the tiger ask the magician for help?

He was _____.

- A) not able to move
- B) waiting for the goat
- C) lazy and did not want to go out
- ✓ D) old and could not catch other animals
