Section C - Comprehension MCQ and Open-Ended (5 x 2 marks = 10 marks)

Read the passage carefully.

Daren and Paul were getting bored at home. They looked around and spotted a storybook that Mother had borrowed from the library. They read the story 'Aladdin' together. In the story, there was a magic carpet. Daren wished that he could have a magic carpet to fly around with.

Suddenly, an idea flashed across their minds. They took their mother's carpet and pretended that it was magical. First, they visited Finland, a cold country where they had to cuddle together to keep themselves warm. Next, they flew to Thailand. It was so hot that they had to remove their layers of clothes.

Just as Daren and Paul were giggling and swirling the carpet above their heads, discussing where to visit next, the carpet caught on a nail. Oh no! What should they do?

They pulled and tugged. With a strong pull, the carpet tore. Mother came in to clean up the mess. "No more imaginary play in the house!" said Mother angrily.
