## Question 11

Primary 2 English » Primary 2 English (Term 2)

0 pts

Section B - Comprehension Open (5 marks)**Read the following passage.**

It was a scorching hot day. After crawling for some time, an ant came to a pond. Feeling thirsty, the ant climbed onto a pebble to reach the water. Unluckily, it slipped and fell into the pond.

"Help! Help!" cried the ant.

Seeing that the ant was in trouble, a dove quickly plucked a leaf from a tree. It then dropped the leaf into the pond near the struggling ant. The ant moved towards the leaf and climbed onto it. Soon, the leaf drifted to dry ground and the ant jumped out. It was safe at last.

The ant was grateful. It was crawling towards the dove when it spotted a hunter with a net. He was about to throw his net over the dove. Sensing that the dove was in danger, the ant quickly but the hunter. The hunter yelled in pain and dropped his net. The dove flew away to safety.

**Answer the following question in complete sentences. Your answer must be based on the passage.**

*This question is designed for extended answers that parent/ teacher will have to assign and guide child to attempt after the test has been completed.*

*Grading: This question type is not graded on this system and will not affect the final score as it was designed in such a way that it requires manual assistance.*

Why did the ant climb onto the pebble?

### Section C - Comprehension Open (3 x 2m)

**Read the passage below and answer the question.**

"Help me! Help me!" Ravi was startled and wondered who had spoken. Turning around, he spotted a huge gold pot sitting right in the middle of the rows of corn. Balancing on his toes, Ravi peered over the edge of the pot and could not believe what he saw. A dwarf stared back at him.

"Please help me", the dwarf pleaded. "Get me out of this pot and I'll grant you a wish."

Ravi was a little scared. He had never met a dwarf before. After much persuasion, he stretched out his hands, grabbed the dwarf and pulled him up and out of the pot.

"Thank you for helping me. I have been stuck for hours. What's your wish? the dwarf asked with a smile on his face.

Ravi would really love a new bicycle like the one his best friend had. He also realised that this could be the only chance he could help his parents. They had worked very hard. Ravi was hoping things could be easier for the family during this dry season.

Finally, Ravi said to the dwarf, "I wish that it would rain so that the crops would flourish."

Climbing into his bed early that night, Ravi wondered if the dwarf would grant his wish. He looked out of the window the next morning and was thrilled to see big puddles and huge rows of corn in the field. Ravi's parents beamed with joy as they gazed at the wonderful sight during their breakfast. Elated, Ravi was grateful to the dwarf for granting his wish.

**Answer the following question in complete sentences. Your answers must be based on the passage.**

*This question is designed for extended answers that parent/ teacher will have to assign and guide child to attempt after the test has been completed.*
