Alice was using her paintbrush to put the finishing touches on her painting. She stepped back and admired her work, "Wow, my painting looks great!"

She placed her unused paint and paintbrush down on the table and decided to have a good rest. Alice went to the kitchen to make a cup of tea and a sandwich. Little did she know, a little mouse was hungry and looking for food.

The mouse scampered out of its hole when it smelled the nice aroma of Alice's tea and sandwich. It climbed up the table and nibbled on her sandwich. Suddenly, Alice saw the mouse. She let out a scream and chased the mouse out of the kitchen.

The mouse was too quick for Alice. It ran under the painting and back into its hole. Alice lost her balance and tripped over the table, causing all of the unused paint to spill onto her completed painting.

"Oh no, my painting is ruined!" exclaimed Alice. After all the commotion, she cleaned up the mess and made herself another sandwich and tea.
