### Term 4 Paper 3

#### Section I: Comprehension : Selected Response (4 marks)

Read the following passage carefully and answer questions 36 to 39.

Mark saw Grandpa waiting patiently for him at the playground, looking very excited about their trip. Mark gave Grandpa a hug and then took him into the train station. As they walked past a bakery, Mark bought his favourite cream puff with chocolate toppings for Grandpa. Grandpa had never tried one before and exclaimed that tasted delicious.

When the train arrived, Mark let Grandpa have the window seat so that he could enjoy the view outside. After forty-five minutes, they arrived at Fullmore where the big new shopping mall was located.

Feeling hungry, Grandpa and Mark headed to the cafe where they had fluffy pancakes with strawberries and piping hot coffee. Mark had never eaten such tasty pancakes before. Then, they walked around the shops. One shop was selling miniature Marvel figurines and Mark stared at an exquisite Iron Man figurine for a long time. Grandpa knew Mark liked it, so he bought the figurine for him. Mark was delighted. He put the figurine carefully in his bag as he did not want to spoil it.

On the way to the train station, Grandpa and Mark chose a birthday card to send to Aunt Agnes, who lived in Vancouver. They made their way home after paying for it.

**For questions 36 to 37, read each statement and choose if that describes Grandpa or Mark.**

It was his first time tasting the cream puff with chocolate toppings at the train station.

**Section J: Comprehension: Open-Ended**

Read the passage carefully and answer the questions 41 - 46.

Fox was walking along the seashore. Hearing voices, he stopped to listen to Elephant and Whale.

"Whale", said Elephant arrogantly! "You are the largest and strongest animal of the sea. I'm the largest and strongest animal on land. Hence, both of us should rule over all the animals on the earth." Whale agreed whole-heartedly.

Fox thought, "They are larger and stronger but I'm the smartest! I'll play a trick on them and let them

know this". He thought of a trick that would make them think, Hippopotamus needed their help.

Later, Fox found Elephant in the wood and said, "Hello, Powerful Ruler, Hippopotamus is stuck in the sand on the beach and I need your help to pull her out. Let me tie one end of this rope around you and the other end around Hippopotamus. When you hear my drum, you'll know it's time to pull really hard." Elephant liked Fox's compliment, 'Powerful Ruler', and was willing to help.

Afterwards, Fox ran to the beach and greeted Whale, "Hello, Mighty and Majestic Whale. Hippopotamus is trapped deep in the mud, in the woods. I'd like to tie one end of this rope around your tail and the other end around Hippopotamus. I'll beat my drum so you'll know when to pull." Whale beamed with pride and agreed to help after hearing Fox address him as 'Mighty Whale'.

Fox ran back into the woods and pounded his drum hard and loud. Both Elephant and Whale began to pull hard, each against the other.

Snap! One end of the rope flew back and stung Elephant on the ear. The other end smacked Whale on the tail and they both cried out in pain.

Fox laughed so hard that all the animals could hear him. Elephant and Whale knew then that they had been tricked and realised that when it came to intelligence, Fox was the smartest.
