Section G: Comprehension (4 x 2marks)
Read the passage below and answer questions.

Dara liked school and had always sat at the front until the day Meili joined her class. "Now, Dara," said Miss Lee, "don't we want our new student to feel welcomed?" Dara scowled. Then, she gave up her seat for Meili.

During P.E. lessons, Dara's friends admired Meili's skills with the skipping rope while ignoring Dara. "Meili, you're a show-off!" Dara shouted and stormed off. Everyone laughed at her outburst and continued watching Meili. 5

Upset by Meili's presence, Dara thought she might just quit school – until it was time for the class to paint a class mural. Dara loved painting. She was so engrossed in it that she did not notice when Meili came to help.

Ring! It was the fire alarm. Quickly, Dara followed her classmates to walk out of the school in an orderly manner. Where was Meili? 10

"Meili, that's the fire alarm!" Dara shouted when she spotted Meili walking back from the toilet. She quickly took Meili's hand and led her outside the school.

Meili hugged Dara and exclaimed gratefully, "Thank you for looking out for me, Dara!" 15

"I didn't do much," said Dara shyly. "Let's play together later!"
