0 pts

Section C

Show your workings clearly and write your answers.

This question is designed for extended answers that parent/ teacher will have to assign and guide child to attempt after the test has been completed.

Grading: This question type is not graded on this system and will not affect the final score as it was designed in such a way that it requires manual assistance.

725 people attended a concert in January.

340 more people attended the concert in February than in January.

How many people attended the concert in the two months?

Question Type: Essay
 Date Added: Fri 3rd Apr 2020
 Last Modified: N/A
 QID#: 19,443,775

Correctly answered feedback

February: $725 + 340 = 1065$
 Both months: $1065 + 725 = \underline{1790}$

Incorrectly answered feedback

February: $725 + 340 = 1065$
 Both months: $1065 + 725 = \underline{1790}$
