Question 20

Primary 4 English » Primary 4 English (Term 2)

1 pt

Section D: Comprehension MCQ (5 x 1m)

When Corporal Ahmad of the Singapore Civil Defence Force (SCDF) heard about the collapse of Hotel New World, he rushed to the scene. There were people trapped in the carpark but he could not move in until the tunnelling experts had completed their job. After 24 hours, the crane inched away. Corporal Ahmad volunteered to go in first.

5

It was dark. Then he heard a cry. He moved slowly towards the sound and found a man, Siva, pinned beneath some rubble. The SCDF team cleared the rubble and carried Siva to safety. When they emerged from the tunnel, Siva was so still that many thought he was unconscious or dead. The crowd was gravely silent. When Siva flashed a weak smile, the crowd cheered and clapped.

10

After his long stay in the darkness, Siva was extremely weak. He also flinched whenever a bright light was shone at his face. The SCDF officers wheeled him to the ambulance after they had dimmed the rescue lights. Corporal Ahmad felt relieved. The SCDF officers needed sleep urgently. Instead, they had a quick meal. After that, for the next three days, Corporal Ahmad had very little sleep as he searched for survivors while the construction crew cleared the rubble.

15

Although they found more survivors, there were also some who did not survive. Corporal Ahmad received a promotion for his courage and perseverance. He was also awarded a Public Service Star but he said, "I was just doing my job." He mentioned that the details of the tragedy were etched in his mind.

20

Siva was trapped ____.

- A) in a tunnel
- B) in a carpark
- C) under a crane
- ✓ D) under some rubble

Section I: Comprehension Open-ended (5x2)

The scouts hopped off the bus and assembled eagerly. Their teacher Mr Lim announced, "You have to hike to the peak of Bukit Timah Hill to earn your merit badge. The time limit is one hour!" They checked their first-aid kits and applied insect repellent as Bukit Timah Hill was famous for its huge mosquitoes and ants.

The first ten minutes of the hike went fine. Soon, Ali, the team leader, was covered with many angry bites. They had taken precautions but **the enemy** still got to them. "Just keep moving!" Ali ordered. Then Alan shrieked, "Snake!"

Just in front of them, between some large rocks, was a large python. Before this, they had only read about pythons in their scout field guide. Now, a live python was right in front of them. Mr Lim knew that he had to get everyone out of danger. He knew this but he could not take his eyes off the snake. The snake seemed to be resting, but its eyes were locked on them.

"It's only a python. It's not even poisonous. Now, if it was a cobra, then we should be afraid!" Muthu announced confidently. Before Mr Lim could stop him, he suddenly grabbed a branch and started waving it at the snake. This really annoyed the snake. Muthu then jabbed at the snake and it attacked him. He screamed when the fangs sank into his calf.

The scouts stared in shock while Mr Lim picked up another branch and hit the snake repeatedly. The snake released Muthu and made a quick escape. They quickly dressed Muthu's wound while Mr Lim called for an ambulance. When they reached the base of the hill, the ambulance was already waiting.

How could the scouts earn a merit badge?

Question Type: Essay
