**Section G: Comprehension 10m**

Ted was very unpopular in class. He often did not complete his homework and forgot to bring his worksheets to school. His form teacher, Mrs Tan, tried hard to change his ways.

One morning, Ted entered Mrs Tan's class with a tear-stained face. Mrs Tan noticed it. Ted whispered, "My sister insisted that her doll was nicer than my teddy bear. I said mine was more adorable. We argued. Then my sister threatened to throw my teddy bear out of the window. Furious, I pulled out her doll's arms. My sister wailed. Mother witnessed the incident and told me I would not be able to use any electronic devices for a week." 5

Mrs Tan was speechless. Then she said, "It is thoughtless of you to do that." 10

"I have apologised to her," Ted mumbled.

Not long after that incident, Mrs Tan organised a baking class for her students. All of them found themselves a partner to bake with except Ted. He was upset. Mrs Tan said, "Ted, I can be your partner." Ted was on cloud nine upon hearing that. That day, he had a lot of fun. 15

On Teachers' Day, Ted gave Mrs Tan a present. Mrs Tan was shocked that it was a bottle of mineral water. Ted said, "Thank you for your care. I wanted to buy you an expensive gift but I had no money so I got this from home. You need it to quench your thirst while teaching us." 20

Mrs Tan was moved and wept quietly.
