Section E: Comprehension

Mother told Sharon and Kim that she would be trying on some dresses in a fitting room nearby. Before walking away, she instructed them to wait for her at the entrance of the clothing store.

Feeling bored, both girls grew restless. Kim then suggested to Sharon that they play hide-and-seek. 5

Once Mother was out of sight, the sisters began their game of hide-and-seek in the store. Sharon locked herself in an empty fitting room, stifling soft giggles with her hand.

"Kim will never find me here," she thought gleefully.

After some time, there was a knock on the door. Sharon opened it and found a store assistant staring at her in surprise. Embarrassed, Sharon dashed out to look for Mother and Kim but they were not in the store. A pale and trembling Sharon walked up to the store assistant and mumbled, "Can you call my mother please?" Immediately, the store assistant did so. 10

Meanwhile, Mother and Kim were looking for Sharon in a nearby toy store when Mother's handphone rang. Both of them hurried back to the clothing store after receiving the call. Section F: Comprehension

One day after work, Tim heard a strange noise behind some trees near his house. Curious, he went to find out more about it. To his surprise, he found a stray dog with a litter of puppies. The puppies seemed to be a few days old.

"Maybe I should set up a cosy place for the dog and her puppies in the storeroom," Tim thought. An hour later, he laid out a dish of water and a large cardboard box lined with a towel on the floor. The storeroom was ready for its new occupants.

Next, Tim faced the challenging task of coaxing the dog to move into the room with her puppies. When he approached her, she was cautious at first. Not giving up, he personally delivered food to her for the next two days. By the third day, he had earned the dog's trust. She finally allowed him to pet her. However, he did not touch her puppies as he might upset the protective mother. On the fourth day, Tim knew he had succeeded when she followed him into the storeroom and drank from the dish of water next to the cardboard box. As the weeks passed, she was certainly happier living in the storeroom with her puppies.

Tim decided to keep her as a pet and named her Sunny. He took Sunny and her puppies to the vet for a check-up. Later, he found loving owners for three of the puppies but kept one with him. Tim's family members, who were not exactly dog lovers, had also grown to adore his new pets for their loyalty and obedience.
