"Wake up! You're going to be late!" Dad's booming voice echoed across the room. Tom staggered out of his bedroom. Wanting to feel refreshed, he stepped into the bathroom to take a cold shower. However, it did not work. He had played computer games for too long the night before and did not have enough time to complete his homework. **5**

However, Tom flopped on his chair and fell asleep. **That** caught the attention of some students in the class. They started banging on the tables and chanting, "Sleepyhead is here!" **10**

Jeremy tried to stop the commotion but failed. Soon, the school bell gave a piercing ring and their Form Teacher, Mrs Wee, marched in.

"Tom, you did not hand in your homework again!" Mrs Wee bellowed and stood with arms akimbo.

Tom jumped out of his chair and his classmates laughed hysterically. **15** He knew he was in hot soup.

During recess, Tom thought, "This shall be my last recess suspension!" He knew he had to change. After school, Tom asked Jeremy to share with him some tips on managing time.
