Section F: Comprehension (10marks)

One day, Tyler read about the theft of an album of treasured stamps. The album belonged to a collector named Mr Lee. Tyler himself loved collecting stamps during his free time. He had a large stamp collection which he had lent to his friend, Roger. Being cautious, he decided to get his stamp album back as he felt it would be more secure with him. However, Tyler could not go to his friend's house as his tuition teacher would be arriving soon. 5

Tyler decided to ask his brother, Kean, to collect his album from Roger. An hour later, Kean came back with a black stamp album. Tyler was confused as his album was blue. Kean explained that he had knocked on the door many times but there was no response, so he left. On his way home, Kean passed by a pile of trash and noticed the black stamp album. He decided to bring it home after realising that it contained many stamps. 10

"This contains valuable stamps!" Tyler exclaimed. "We cannot keep this album." The brothers immediately went to the police station to report that they had found a valuable stamp album. Tyler and Kean were shocked when the police told them it was the stolen album belonging to Mr Lee. A week later, Tyler and Kean were rewarded for returning the album. 15

Name one activity that Tyler liked to do during his free time.
