It was bright and sunny day. Muthu and Nick were going to Monkey's Island on a ferry. It was a school holiday and they wanted to have a picnic on the island. There were many people on board the ferry.

They were chatting happily and enjoying the cool wind brushing against their faces. Suddenly, the sea became rough. Muthu was stunned and did not realise what was happening. At a distance, he could see dark clouds gathering. The wind was so strong that his hat was blown away. Muthu could not do anything about it and let out a sigh. Nick started to cry. "Oh no! What are we going to do?" Nick asked. Muthu realised that the stormy weather was causing the ferry to shake terribly. Now, they were both very frightened. "Let's hold on tight to the railing", Muthu said to Nick. Muthu wished they had not decided to go to that island. He closed his eyes and said a prayer.
