Section I: Comprehension (8 marks)

Read the passage carefully and answer the questions that follow.

It was just before midnight. Serena was reading a hair-raising ghost story. She loved the excitement and thrill of scaring herself silly before sleeping. However, when she was reading the story, she suddenly heard the squeaky opening of her front door. Startled by the eerie sound, she decided to see what it was.

5

Slowly, Serena crept out of her bed and walked down the stairs. Even her very own footsteps on the creaky stairs terrified her. She heard strange sounds in the kitchen and stopped to listen to what it could be. Was it a burglar or worst - a ghost? Serena became anxious and trembled as everyone she knew was in their beds fast asleep.

10

Although the darkness sent shivers down her spine, Serena wanted to find out what was making the peculiar noise. She stepped off the last step of the stairway and entered the dark kitchen. Unsuspectedly, Serena walked right into something and she screamed her lungs out.

The dark figure stretched out a hand and quickly turned on the kitchen lights - it was Serena's elder brother, Ken! He could not help but laugh at poor Serena sitting unladylike on the ground. Serena's face turned bright red with embarrassment. She had also got quite a bad scare. There and then, Serena vowed never to read a ghost story before bedtime ever again.

15
